1. Introduction

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000 & 2008.

The policy was approved by Board of Management on 12th September 2024 and Le Chéile Catholic Schools Trust on 26th September 2024. It is published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The relevant dates and timelines for St. David's Holy Faith Secondary School admission process are set out in the school's annual admission notice which is published annually on the school's website in tandem with this said document. This policy must be read in conjunction with the annual admission notice for the school year concerned.

The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

2. Characteristic spirit and general objectives of the school

St. David's Holy Faith Secondary School is a co-educational voluntary secondary school with a Catholic ethos, under the trusteeship of Le Chéile Catholic Schools Trust. We welcome students of all faiths and of no faith backgrounds.

The ethos of our school is a major factor in establishing and maintaining high standards of behaviour, discipline and high academic achievement. This is characterised by a strong sense of community within our school and a high level of co-operation between our students, staff and parents/guardians, achieved through positive relationships. The students of our school are encouraged to work hard, engage in sports and thrive in the arts. The senior school leadership team and all staff of St. David's Holy Faith Secondary School, Greystones, promote the educational welfare of all our students.

Our aim here in St. David's Holy Faith Secondary School, Greystones, is to provide an education that acknowledges and affirms the dignity and uniqueness of every human being as a child of God. This embraces the intellectual, physical, cultural, emotional, social, moral and spiritual growth of each student in our school.

Our school seeks to build a learning community that welcomes, and bears witness to, the Gospel values of Jesus Christ, which are expressed through the lens of the Le Chéile Catholic School's Charter. Our school draws on the richness of the religious and cultural heritage of the past and particularly the charism of the founder, Margaret Aylward of The Holy Faith Sisters, who founded this school in 1906.

As a Catholic secondary school, Religious Education is central to our curriculum. Alongside Religious Education, the school supports students in their Catholic religious formation. All students' spiritual growth is enhanced through areas such as nature, art, poetry and music. The spiritual life of students can also be deepened through prayer and ritual, which we as a school foster and promote in year group and whole-school assemblies, the school opening Mass and Sixth Year Graduation, each year. The addition of a new prayer room for staff and students is a welcome development for all.

The general objectives of all Le Chéile schools include:

Welcome recognises the unique dignity and worth of each person.

Wisdom is the pursuit of a greater understanding and appreciation of the world.

Witness comes from the expression of Gospel values, in everyday life, and recognises that every person is made in the image and likeness of God.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of St. David's Holy Faith Secondary School, Greystones shall uphold, and be accountable to the patron for upholding, the characteristic spirit of the school as determined by the cultural,

educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

6. What will not be considered or taken into account

Points (a) to (g) must be included here by all schools. There are limited exceptions to some of these (highlighted in red below) and schools must retain the exceptions that apply to them and delete those that do not:

- (a) a student's prior attendance at a pre-school or pre-school service, including naíonraí,
- (b) the payment of fees or contributions (how-so-ever described) to the school;

This is subject to the application being received at any time during the period specified for receiving applications set out in the annual admission notice of the school for the school year concerned.

7. Decisions on applications

All decisions on applications for admission to St. David's Holy Faith Secondary School, Greystones, will be based on the following:

- Our school's admission policy
- The school's annual admission notice (where applicable)
- The information provided by the applicant in the school's official application form received during the period specified in our annual admission notice for receiving applications.

(Please see section 13 below in relation to applications received outside of the admissions period and section 14 below in relation to applications for places in years other than the intake group.)

Applicants will be informed of the right to seek a review/right of appeal of the school's decision (see Section 17 below for further details).

9. Acceptance of an offer of a place by an applicant

In accepting an offer of admission from St. David's Holy Faith Secondary School, Greystones, you must indicate:

- (i) whether or not, you have accepted an offer of admission for another school or schools. If you have accepted such an offer, you must also provide details of the offer or offers concerned and
- (ii) whether or not, you have applied for and awaiting confirmation of an offer of admission from another school or schools, and if so, you must provide details of the other school or schools concerned.

Applicants should be aware that failure to disclose this information on the acceptance of a place may lead to an offer being withdrawn by the school.

10. Circumstances in which offers may not be made or may be withdrawn

An offer of admission may not be made or may be withdrawn by St. David's Holy Faith, Secondary School where

- (i) It is established that information contained in the application is false or misleading.
- (ii) An applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual admission notice of the school.
- (iii) The parent/guardian of a student, when required by the Principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student; or
- (iv) An applicant has failed to comply with the requirements of 'acceptance of an offer' as set out in section 9 above.
- (v) The Board of Management has a duty of care to ensure, as far as practicable, the health and safety of the students and staff of the school. In addition, the Board of Management is required under section 15(1) of the Education Act 1998 to provide, or cause to be provided, an appropriate education for each student at the school for which that board has responsibility. An application for admission may be refused, therefore, where the admission of the applicant would pose a significant risk to the health and safety of the applicant or students and staff of the school, or risk significantly interfering with the right of other students to an appropriate education.

11. Sharing of Data with other schools

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of data between schools in order to facilitate the efficient admission of students. Section 66(6) allows a school to provide a patron or another Board of Management with a list of the students in relation to whom —

An application for admission to the school has been received:

- (i) an offer of admission to the school has been made, or
- (ii) an offer of admission to the school has been accepted.

The list may include any or all of the following:

- (i) the date on which an application for admission was received by the school;
- (ii) the date on which an offer of admission was made by the school;
- (iii) the date on which an offer of admission was accepted by an applicant;
- (iv) a student's personal details including his or her name, address, date of birth and personal public service number (within the meaning of section 262 of the Social Welfare Consolidation Act 2005).

12. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned, than places available, a waiting list of students whose applications for admission to St. David's Holy Faith Secondary School, Greystones, were unsuccessful, due to the school being oversubscribed, a waiting list will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of St. David's Holy Faith Secondary School, Greystones, is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy, as outlined in sections 4 to 9 inclusive.

Offers of any subsequent places that become available, for and during the school year, in relation to which admission is being sought, will be made to those students on the waiting list, in accordance with their position on the waiting list starting with number one.

13. Late Applications

All applications for admission received after the closing date, as outlined in the annual admission notice, will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act.

Any late application, received after 4.00pm on Tuesday the 22nd of October 2024 and irrespective of the criteria the child falls within (1 or 2 or 3 or 4 or 5) will automatically be added to the end of the waiting list.

14. Procedures for admission of students to other years and during the school year

Where parents/guardians wish to make an application for their son/daughter to a year group other than First Year or during the school year, they should in the first instance submit two recent school reports to the Deputy Principal, Louise O'Sullivan (deputyprincipal.louiseosullivan@stdavids.ie). An offer of a place can only be made if there is space in the year group in question. A decision on whether a place can be offered will be conveyed to the parents within 21 days of the initial application. Applications made for a place in Transition Year or Fifth Year in the forthcoming academic year will be deferred until the Principal has established the number of available spaces in each of these year groups, which will depend, in turn, on the number of existing Third Year students who progress to either year group. Such applications will be placed on a waiting list until the number of available places in the relevant year group has been established by the Principal.

Before accepting the offer of a place in the school, the parents/guardians and their son/daughter may be invited to attend a meeting with the Principal and/or Deputy Principals to ascertain whether there is a place available in the particular subject classes required or

sought by their son/daughter. The fact that there may be a space in a year group would not automatically mean that there is a place available in a particular subject class at the level required by the student. This is because class size is limited in certain subjects. For this reason, parents/guardians and their son/daughter are strongly recommended to attend a meeting with the Principal and/or Deputy Principals to ensure that a transfer to the school would be in the best interests of their son/daughter given the curricular provision, subject choices/levels available at the time.

Acceptance of an offer of a place by an applicant to a year group other than First Year or during the school year:

Parents/guardians must confirm their acceptance in writing (email) of an offer of a place within three weeks of the date of the offer of a place.

In accepting an offer of admission from St. David's Holy Faith Secondary School, Greystones, the parents/guardians must indicate:

(i) whether or not, they have accepted an offer of admission for another school or schools. If they have accepted such an offer, they must also provide details of the offer or offers concerned and

(ii) whether or not, they have applied for and awaiting confirmation, of an offer of admission from another school or schools, and if so, they must provide details of the other school or schools concerned.

Parents/guardians should be aware that failure to disclose this information on the acceptance of a place may lead to an offer being withdrawn by the school.

Circumstances in which offers of a place in a year group, other than First Year or during the school year may not be made or may be withdrawn:

An offer of admission may not be made or may be withdrawn by St. David's Holy Faith Secondary School, Greystones where

(i) it is established that information contained in the application is false or misleading;

(ii) an applicant fails to confirm acceptance of an offer of admission within three weeks of the date of the offer of a place;

(iii) the parent/guardian of a student, when required by the Principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the Code of Behaviour and the Ethos of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student;

(iv) an applicant has failed to comply with the requirements of 'acceptance of an offer' as set out above;

(v) the admission of the applicant would pose a significant risk to the health and safety of the applicant or students and staff of the school, or risk significantly interfering with the right of other students to an appropriate education. The Board of Management has a duty of care to ensure as far as practicable the health and safety of the students and staff of the school. In addition, the Board of Management is required under section 15(1) of the Education Act 1998 to provide, or cause to be provided, an appropriate education for each student at the school for which that board has responsibility; or

(vi) the application is made for a place in Transition Year or Fifth Year in the forthcoming academic year before the Principal has established the number of available spaces in each of these year groups, which will depend on the number of existing Third Year students who progress to either year.

(vii) The year group requested is full.

Oversubscription to the year group other than First Year:

In the event of there being more applications to the year group other than First Year than places available, a waiting list of students, whose application for admission to the particular year group, has been refused, will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list will be in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy (see Section 5 above). If there are two or more students in any of the selection criteria categories set out in Section 5 above, then the position on the waiting list (for places in a year group other than First year) will be determined by a lottery process overseen by the Principal, Deputy Principals and an independent observer appointed by the Board of Management.

Offers of any subsequent places in the year group other than First Year that become available during the school year will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

Sharing of Data with other schools:

Applicants should note that the provisions of Section 11 above relating to the sharing of data with other schools will apply in all cases where an application is made to a year group other than First Year or during the school year.

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of data between schools in order to facilitate the efficient admission of students. Section 66(6) allows a school to provide a patron or another board of management with a list of the students in relation to whom—

- an application for admission to the school has been received,
- an offer of admission to the school has been made, or
- an offer of admission to the school has been accepted.

The list may include any or all of the following:

(i) the date on which an application for admission was received by the school;

(ii) the date on which an offer of admission was made by the school;

(iii) the date on which an offer of admission was accepted by an applicant;

(iv) a student's personal details including his or her name, address, date of birth and personal public service number (within the meaning of section 262 of the Social Welfare Consolidation Act 2005).

15. Declaration in relation to the non-charging of fees

The Board of Management of St. David's Holy Faith Secondary School, Greystones or any persons acting on its behalf shall not, except in accordance with section 64 of the Education (Admission to Schools) Act 2018, charge fees for or seek payment or contributions (howsoever described) as a condition of

- (a) an application for admission of a student to the school, or
- (b) the admission or continued enrolment of a student in the school.

16. Arrangements regarding students not attending religious instruction

The following are the school's arrangements for students, where the parents/guardians or in the case of a student who has reached the age of 18 years, the student, who has requested that the student attend the school without attending religious instruction in the school. These arrangements will not result in a reduction in the school day of such students.

A parent/guardian of a student, or a student who has reached the age of 18, who wishes to attend St. David's Holy Faith, Secondary School without attending religious instruction should make a written request to the Principal. A meeting will be then be arranged with the parent or the student, as the case may be, to discuss how the request might be accommodated by the school.

Autism Spectrum (AS) Classroom Provision

Admission to the AS classrooms for students with Autistic Spectrum (AS) is governed by our policy and procedures, additional to the general Admissions Policy, outlined here. For the 2025-2026 school year, St. David's Holy Faith Secondary School will open a second AS classroom, for a total of four students.

Eligibility for enrolment in this AS Classroom is as follows:

A student may be accepted for admission into this classroom when all of the following criteria have been met:

A student applying for a place in the AS classroom must have a psychological/psychiatric report that clearly specifies a diagnosis of Autism. This diagnosis must be determined by the DSM 1V, ICD 10 criteria, or other recognised diagnostic tool acceptable to St. David's Holy Faith Secondary School, Greystones. These requirements are detailed in DoE Circular SP/ED 02/05.

The following documents will be required also in respect of applicants seeking a place in this classroom:

- A Cognitive Assessment which includes an estimation of Global Cognitive Function
- A report from the primary school outlining the student's academic, social, emotional, behavioural and physical needs.

By applying for a place in the AS classroom, parents/guardians authorise St. David's Holy Faith Secondary School to contact the stated primary school in advance of any offer of a place to confirm and assess the information in the submitted educational/psychological reports from the parents/guardians with the application form.

Integration of students into mainstream classes is a key goal of this AS classroom, here in St. David's Holy Faith Secondary School, Greystones. There may be instances whereby students will require the AS Classroom for lessons. This will require SNA assistance.

Application process and offer of places

The total capacity for the AS Classrooms is restricted, as determined by the N.C.S.E (National Council for Special Education) and the DE (Department of Education). **This is restricted to four places, for each of the two AS Classrooms for 2025 – 2026.** All applications for the AS Classrooms will be considered within the context of the school's Admission Policy. Applicants must complete the AS Classroom Application Form for Admission to St. David's Holy Faith Secondary School, Greystones for the academic year 2025-2026. All necessary and supporting documentation (mentioned above) needs to be submitted to the school by the date specified in advance, with the completed application form, to the email addressed, as per application form. If the documentation is not submitted, the application cannot be processed and no place offered.

In the case of over subscription for the AS Classrooms

When the number of applications exceeds the number of places available, a waiting list shall be compiled which remains valid only for the school year in respect of which the applications are made (2025 – 2026), as per the Admissions Policy 2025 – 2026.

Multi-Disciplinary Review Panel

All applications for the AS classroom will be reviewed by a Multi-Disciplinary Review Panel which may consist of the following members as necessary, and as determined by the School:

- St. David's Holy Faith Secondary School, Principal and/or Deputy Principals
- St. David's Holy Faith Secondary School, AS classroom teacher
- St. David's Holy Faith Secondary School, SEN Department

The remit of the Multi-Disciplinary Review Panel is:

- to make recommendations based on these findings to the Principal, St. David's Holy Faith Secondary School, Greystones
- to advise the Principal on the allocation of places in the AS classroom.

The decision on the allocation of places in the AS classroom is made by the Principal in the context of this Policy. Decisions of the Principal concerning admissions to the AS classroom may be reviewed by the Board of Management (see below).

Decisions not to enrol or to withdraw enrolment

The Board of Management require that Parents/Guardians must accept that the enrolment process to the AS classroom only proceeds where the educational and physical needs of the applicants as identified can be met within the AS classroom.

Enrolment may be refused to the AS classroom on health and safety grounds if:

- Students are deemed by the Multi-Disciplinary Review Panel to be an unacceptable risk to themselves, to other students, to school staff or to school property.
- Enrolment would have a detrimental effect on the education of other students.
- The student's needs are such that, even with additional resources available from the Department of Education and Skills and the HSE, the school cannot meet such needs and/or provide the student with an appropriate education.

Should the Principal refuse enrolment to the AS classroom, parents/guardians will be advised of their right to a review of this decision by the Board of Management and will be given information on how to do so. Parents/Guardians are also informed of their rights after the Board of Management review to engage in a Section 29 Appeal as per The Education Act of 1998.

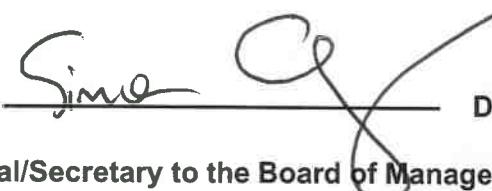

The Parents/Guardians of the applicant for enrolment must accept and agree to St. David's Holy Faith Secondary School Code of Behaviour and the terms of this policy. All efforts will be made by staff at the school to manage such behaviour using various strategies and through the implementation of the student's Individual Educational Plan. However, all

students, including those with special educational needs, are subject to the Code of Behaviour as well as the terms of the St David's Holy Faith Secondary School Health and Safety Policy. Where any student's behaviour impacts in a negative way on the other students in the AS classroom or the students in a mainstream class, to an extent that their health, safety, welfare or constitutional right to an education are being interfered with, as determined by the Principal of the school, then the school reserves the right to advise Parents/Guardians that a more suitable educational setting should be found for their child and, if necessary, to permanently exclude the student from the school. This decision may be appealed to the Board of Management.

In cases where the attendance of a student enrolled in the AS classroom is of a nature that causes the staff to be significantly concerned about their commitment to and engagement with the programme, the impact on the attendance/non-attendance on the progress of the other students enrolled on the programme, and the possibility that a place is being denied to a more suitable applicant, the case for the student's removal from the programme will be referred to the Multi-Disciplinary Review Panel after consultation with the parents/guardians.

Parents/Guardians of applicants who are refused admission to St. David's Holy Faith Secondary School will be advised of their right to appeal the matter to the Secretary General, Department of Education under Section 29 of the Education Act 1998.
